GUILFORD TECHNICAL COMMUNITY COLLEGE

**Defensive Driving Course  
Attitudinal Dynamics of Driving  
(DDC-ADD)**

DDC-ADD is an eight-hour driver improvement course that teaches responsible behavior on the road. This program is available to defendants on traffic violations by the Guilford County court system (18<sup>th</sup> Prosecutorial District).

The office of the District Attorney, district court judges, or private attorneys may refer defendants to the course. Presentation of the Certificate of Completion may result in a lessening of the charge, lowering of fines by the court, reducing multiple charges to one plea, or other consideration as the Court may elect.

The DDC-ADD Class must be completed within the time ordered by the court or before your next court date.
